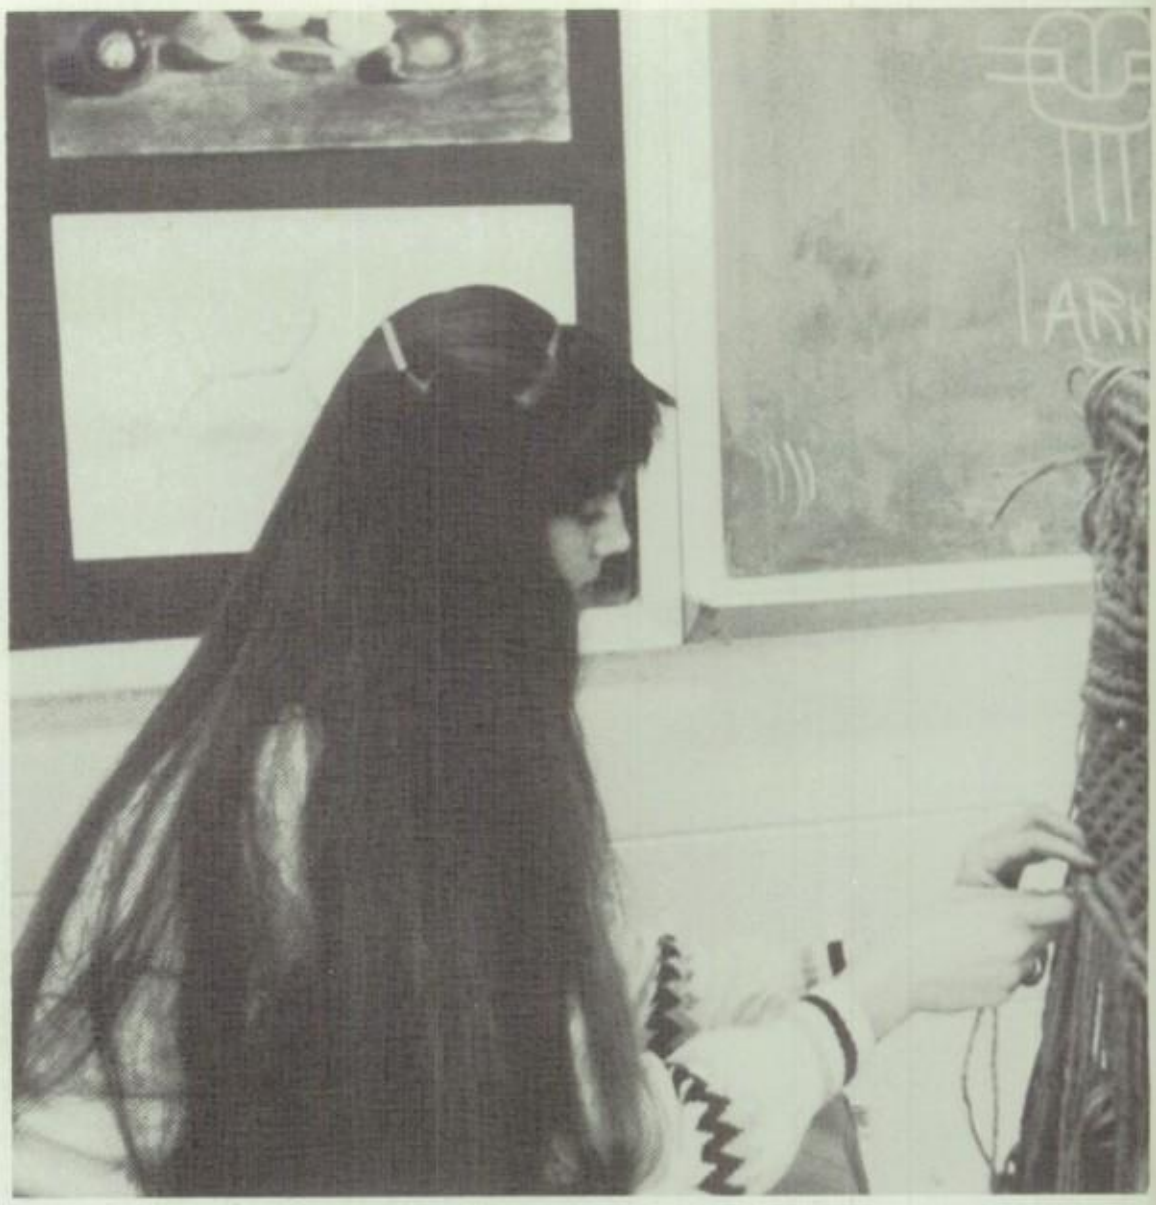
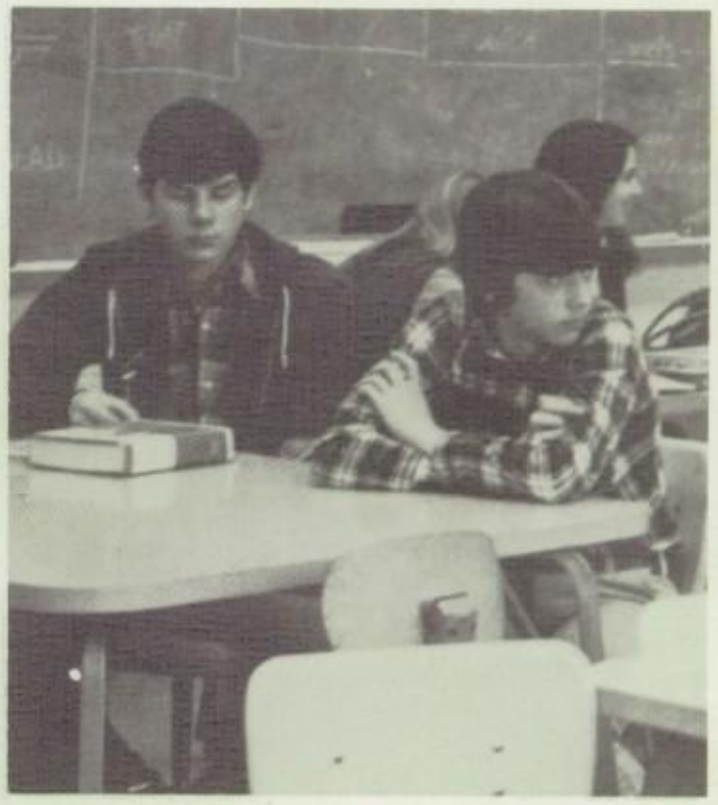
Student Life

New Art Program Offered to W.C.H.S. Students

The 1977-78 school year brought a new teacher and a new class to W.C.H.S. as Mary Ann Wells introduced art to Webster County High School. Included in the art curriculum at W.C.H.S. are macrame, ceramics, painting, jewelry making, and drawing. Following the addition of the art classes, an art club was formed with Mrs. Wells as the sponsor.



RIGHT — Susan Ottens works on a macrame wall hanging. BELOW — Two art students, Mary Ellen Nance and Melody Liggett, exhibited their finest pastel pictures.



LEFT — Throughout the school year Mrs. Wells, new art instructor at W.C.H.S., drew various pictures of the pets of our faculty. BELOW LEFT — Three art students, Kim Vandiver, Hugh VanLeer, and Rene Sallee, work on macrame in the art room. BELOW — Craig Maxwell and John Melton listen as class is being conducted.

IA Builds Better WCHS

The Industrial Arts Department has four areas of study. Freshmen at WCHS take General Shop which includes, drawing thirty plates the first semester then make a pen and pencil set which takes about a month. After finishing their pen and pencil set they start on their major wood project. Drafting, which sophomores usually take, continues shop study in drawing and determining the scales for the blue prints. The juniors take Woodworking I and the seniors take Advance Woodworking to complete their study in Industrial Arts.

Projects in Woodwork I and Advance Woodworking include poster boards, gun cabinets, tables, cedar chest, china cabinet and grandfather clocks.

WCHS Students, Faculty

Seventy WCHS students, Faculty members donated blood March 30 to the American Red Cross Blood Bank. This was the first time a blood drive has been held at Webster County High School and the turn out was commendable. The procedure wasn't half as bad as many thought, and many donors had a good time while they donated. It was a first time experience for most donors. Students were only able to donate if they were 17 or older.

ABOVE — A nurse takes blood from Angie Wells so it can be tested for Iron content. ABOVE RIGHT — An American Red Cross worker cleans the arm of a blood donor. Trojans Crown Royalty

Football Homecoming was held September 23 when the Trojans faced Todd Co. Miss Sandy Beach was crowned 1977 Football Homecoming Queen by Steve Catlett. The selection of a queen started with the student body nominating two candidates from their respective classes. The next vote narrowed the candidates to five for the football team to select the queen. Because of the weather and cancellation of many basketball games, the 1978 Basketball King and Queen were crowned on two separate nights. On Friday February 24, Rodney Newton was crowned King, between the Junior Varsity and Varsity Girls' games with tough South Hopkins squads. The next night on Saturday February 25, Jennifer Pigman was crowned Queen before the Varsity Boys' game with Lyon County. The King and Queen were selected the same way as the Football Queen.

WCHS Students Portray "Peanuts" Characters

April 14th was opening night for the Drama Club's presentation of "You're a Good Man Charlie Brown." Under the direction of Mr. Andy Perry, six students entertained a full house as they assumed the roles of characters from the popular Charles Shultz comic strip "Peanuts." Playing the title role, Robert Husted led his baseball team thru a losing game and destroyed a kite. Lois Nance played Lucy, the psychiatrist, future queen and overall dominant figure of the play. Brad Nance played Schroeder, Lucy's dreamboat, who was too involved in his piano and Beethoven to concentrate on anything else. Playing Lucy's baby brother, Linus, was Tony Austin. Linus, who never went anywhere without his dirty blanket, was the philosopher of the group. Patty, portrayed by Mary Ellen Nance, was Lucy's cohort when Charlie Brown needed to be antagonized. Snoopy, Charlie Brown's ever-loving beagle, was played by Bruce Goad. Ricky Vaughn played the piano for the musical comedy. Mr. Bob Gillaspie, producer, helped the crew members. Behind the scenes were Morrisa Watson, stage manager, Mary Beth Price handled makeup duties, Amy Rakestraw was prop mistress and Carolyn Powell was in charge of costumes. House manager for the program was Angie Jones.

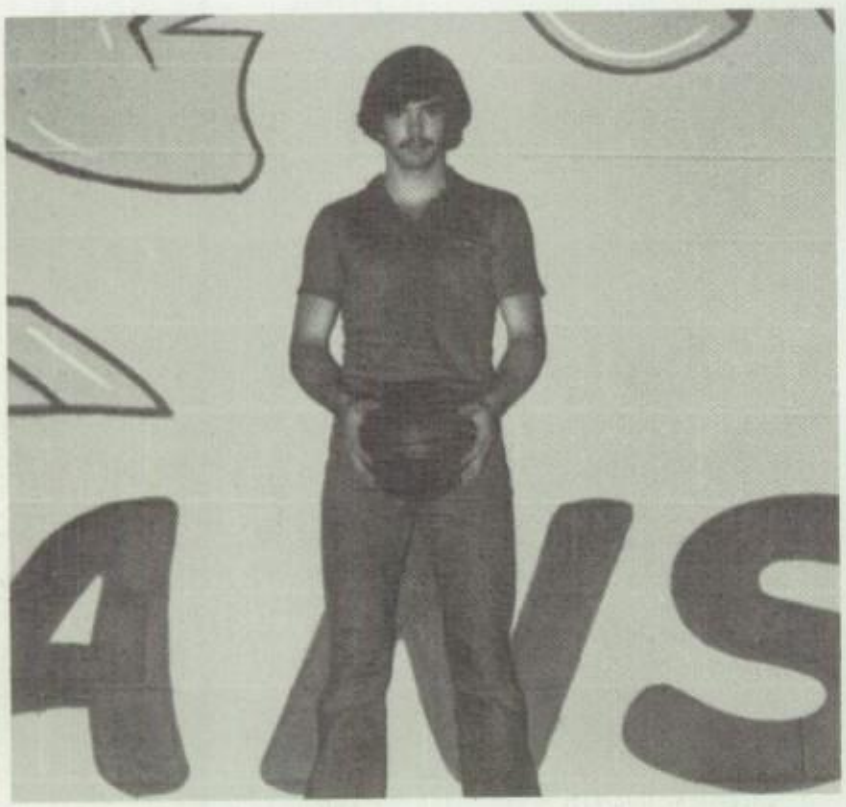
CAMPUS FAVORITES

"Campus Favorites" was a new edition to the "Trojan" this year. The following twelve students are considered to be the favorites of the Webster County High campus by the seniors. Out of 142 seniors, forty students were nominated by the faculty members. Each teacher was asked to nominate five male students and five female students. There were no requirements except nominees had to be seniors. When all the names were in they were put on a ballot and then the ballots were distributed to the seniors. The seniors were then asked to vote on their favorite twelve. The twelve chosen were then asked to fill out a questionnaire. They were asked questions about their future plans, their school life and the importance of student opinions in policy making.

Jennifer Pigman, RIGHT — daughter of Mr. and Mrs. Henry Pigman of Dixon. She believes receiving her high school diploma is an important factor in getting a good paying job after high school graduation. Very active, Jennifer is in Pep Club, Art Club, a Student Council Representative, Vica Club, and participated in fund raising drives for Heart Fund, Arthritis Drive, March of Dimes, and American Cancer Society. A member of the First Baptist Church, Jennifer believes that students should have an equal say about decisions that affect the students. Jennifer thinks that extra curricular activities keep students from becoming bored with school.



Chester Davis, LEFT — son of Mrs. James Graves of Wheatcroft. He is well known at WCHS for his great performance on the Trojan basketball team. He also held records in the Boys' Track and is a "W" Club member. Chester feels that his high school years will be the best years of his life simply because after high school he will be out on his own. His first plan is getting a good job. Chester believes that a high school diploma is necessary in order to get a good job or to go to college. He feels that his high school education will be a good record for his employer to look back on, to see how he did in school.

Denise Shelton, RIGHT — is the daughter of Mr. and Mrs. Charles Shelton of Sebree. She's been an active member of Pep Club and FHA since her freshman year. Her sophomore year, Denise joined D.E.C.A. and became President of the chapter her junior year and Historian of the Region. As a Senior Denise became President of Region III. Denise believes it's important to receive a high school diploma because, "it symbolizes the years of education you, as an individual, have completed." She also believes, "Extra curricular activities play an important part in keeping students from dropping out of school because there is something different for each person and the routine doesn't seem so boring." Denise plans to go to college to become a Registered Nurse.

Cindy Cowan, LEFT — is the daughter of Mr. and Mrs. Bruce Cowan of Clay. In Cindy's four years of attending Webster County High School she has been a very active member in Cheerleading, member of the Annual Staff, a Class Officer, Band, Art Club, Pep Club, and "W" Club. Receiving her diploma, Cindy feels she has reached her goal to show her achievements. Cindy is undecided on her plans after school, but is interested in some type of health field. Cindy was asked if she feels the saying "Your High School Years Are the Best Years of Your Life" is true, and she replied: "My high school years are the very best I've ever experienced. She feels that High school has memories you can hang to forever and what's life without memories?

Mike Eddings, RIGHT — is the son of Gloria Eddings and Bobby Joe Eddings and lives in Providence. He has lettered in football, wrestling, baseball and golf. Mike is a member of the "W" Club, and Pep Club, and was selected as Mr. Trojan his senior year. Mike believes a High Scbool diploma is important because, "a diploma is something a person can be proud of and this accomplishment is necessary for a higher education." Mike believes one "should strive for academics because without good grades one cannot qualify for any sport." Extracurricular activities such as sports play an important role in his life and Mike's love for sports has made him determined to do well in the classroom. Mike's plans for the future are to play college football and major in Engineering.

Joy Beth Campbell, LEFT — is the daughter of Mr. and Mrs. Marlan Campbell of Providence. Joy Beth is an active member of D.E.C.A., Track, Student Council, W Club, Pep Club, FHA, Women's Softball, and the Heart Fund Campaign. Joy Beth believes a high school diploma is necessary in order to attend college or to qualify for most jobs. She believes that education has an effect on a person's everyday life. Joy Beth believes that "Your High School years are the best years of your life." She believes that when you are in high school you don't have to worry much about your future. However, after you graduate you have to worry about your future and accept the responsibilities of everyday life.

Bradley Nance, LEFT — is the son of Ted and Lana Nance of Onton, Ky. He has been a member of Beta, Student Council, Science Club, Drama, and editor of the Yearbook. It was very important for Brad to receive a high school diploma, because, "It is something to show for the four years of work that I am proud of." When asked how much emphasis should be placed on extra-curricular activities compared to Academics, he commented "I think that extra curricular activities should have almost as much emphasis as academics. A person needs a social life! I think that extra curricular activities are necessary to keep a person happy and enjoying what they do."

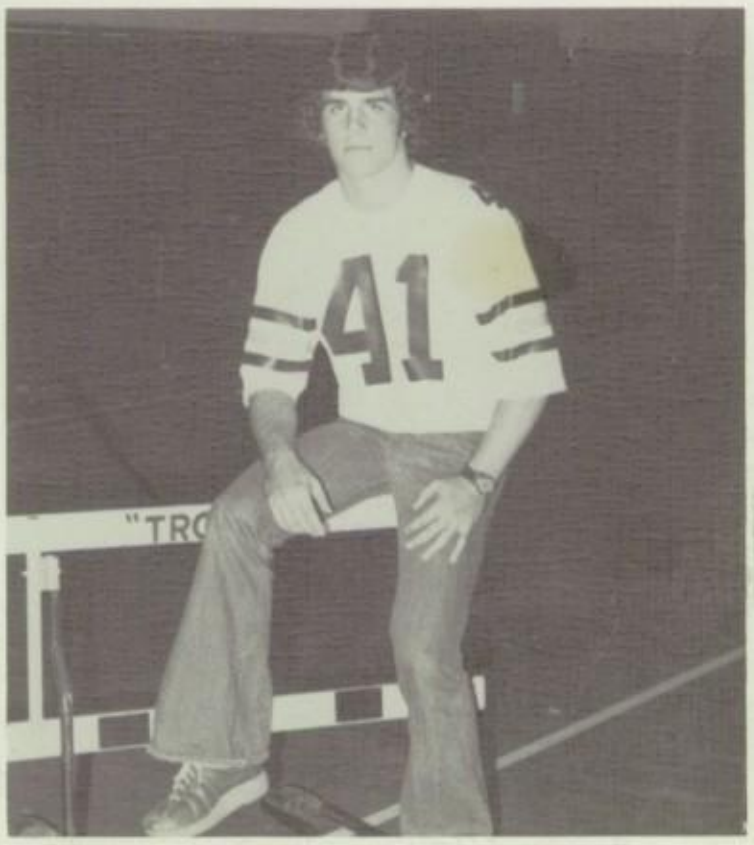
Linda Loehr, RIGHT — is the daughter of Mr. and Mrs. James Loehr from Slaughters. Linda's activities at WCHS included cheerleading, Band, Vica Club, Pep Club, FHA, Beta Club and "W" Club. Linda feels that the extra curricular activities give her a chance to show her talent, and make her feel like an important individual at the school. During her four years at Webster County High Linda felt strongly that students should have a part in policy making. She feels that the students should have a chance to make some of the decisions concerning themselves since they are the ones that have to abide by them. Linda graduated from WCHS with the feeling of pride and self-achievement. She plans to attend I.S.U.E. or Henderson to become an X-ray Technician.

Chris Bumpus, LEFT — is the son of Violet Bumpus and Billy, and lives in Dixon. He is a member of D.E.C.A., Pep Club, Vice-President of "W" Club and Parliamentarian of Vica. He's active in such sports as Football, Baseball and Wrestling. He believes it's important to receive a High School Diploma because, "if you didn't receive a diploma it would be hard to find any kind of a job." Chris feels that students should have a part in policy making when it effects the student body because, "it would be good for student and faculty relations."

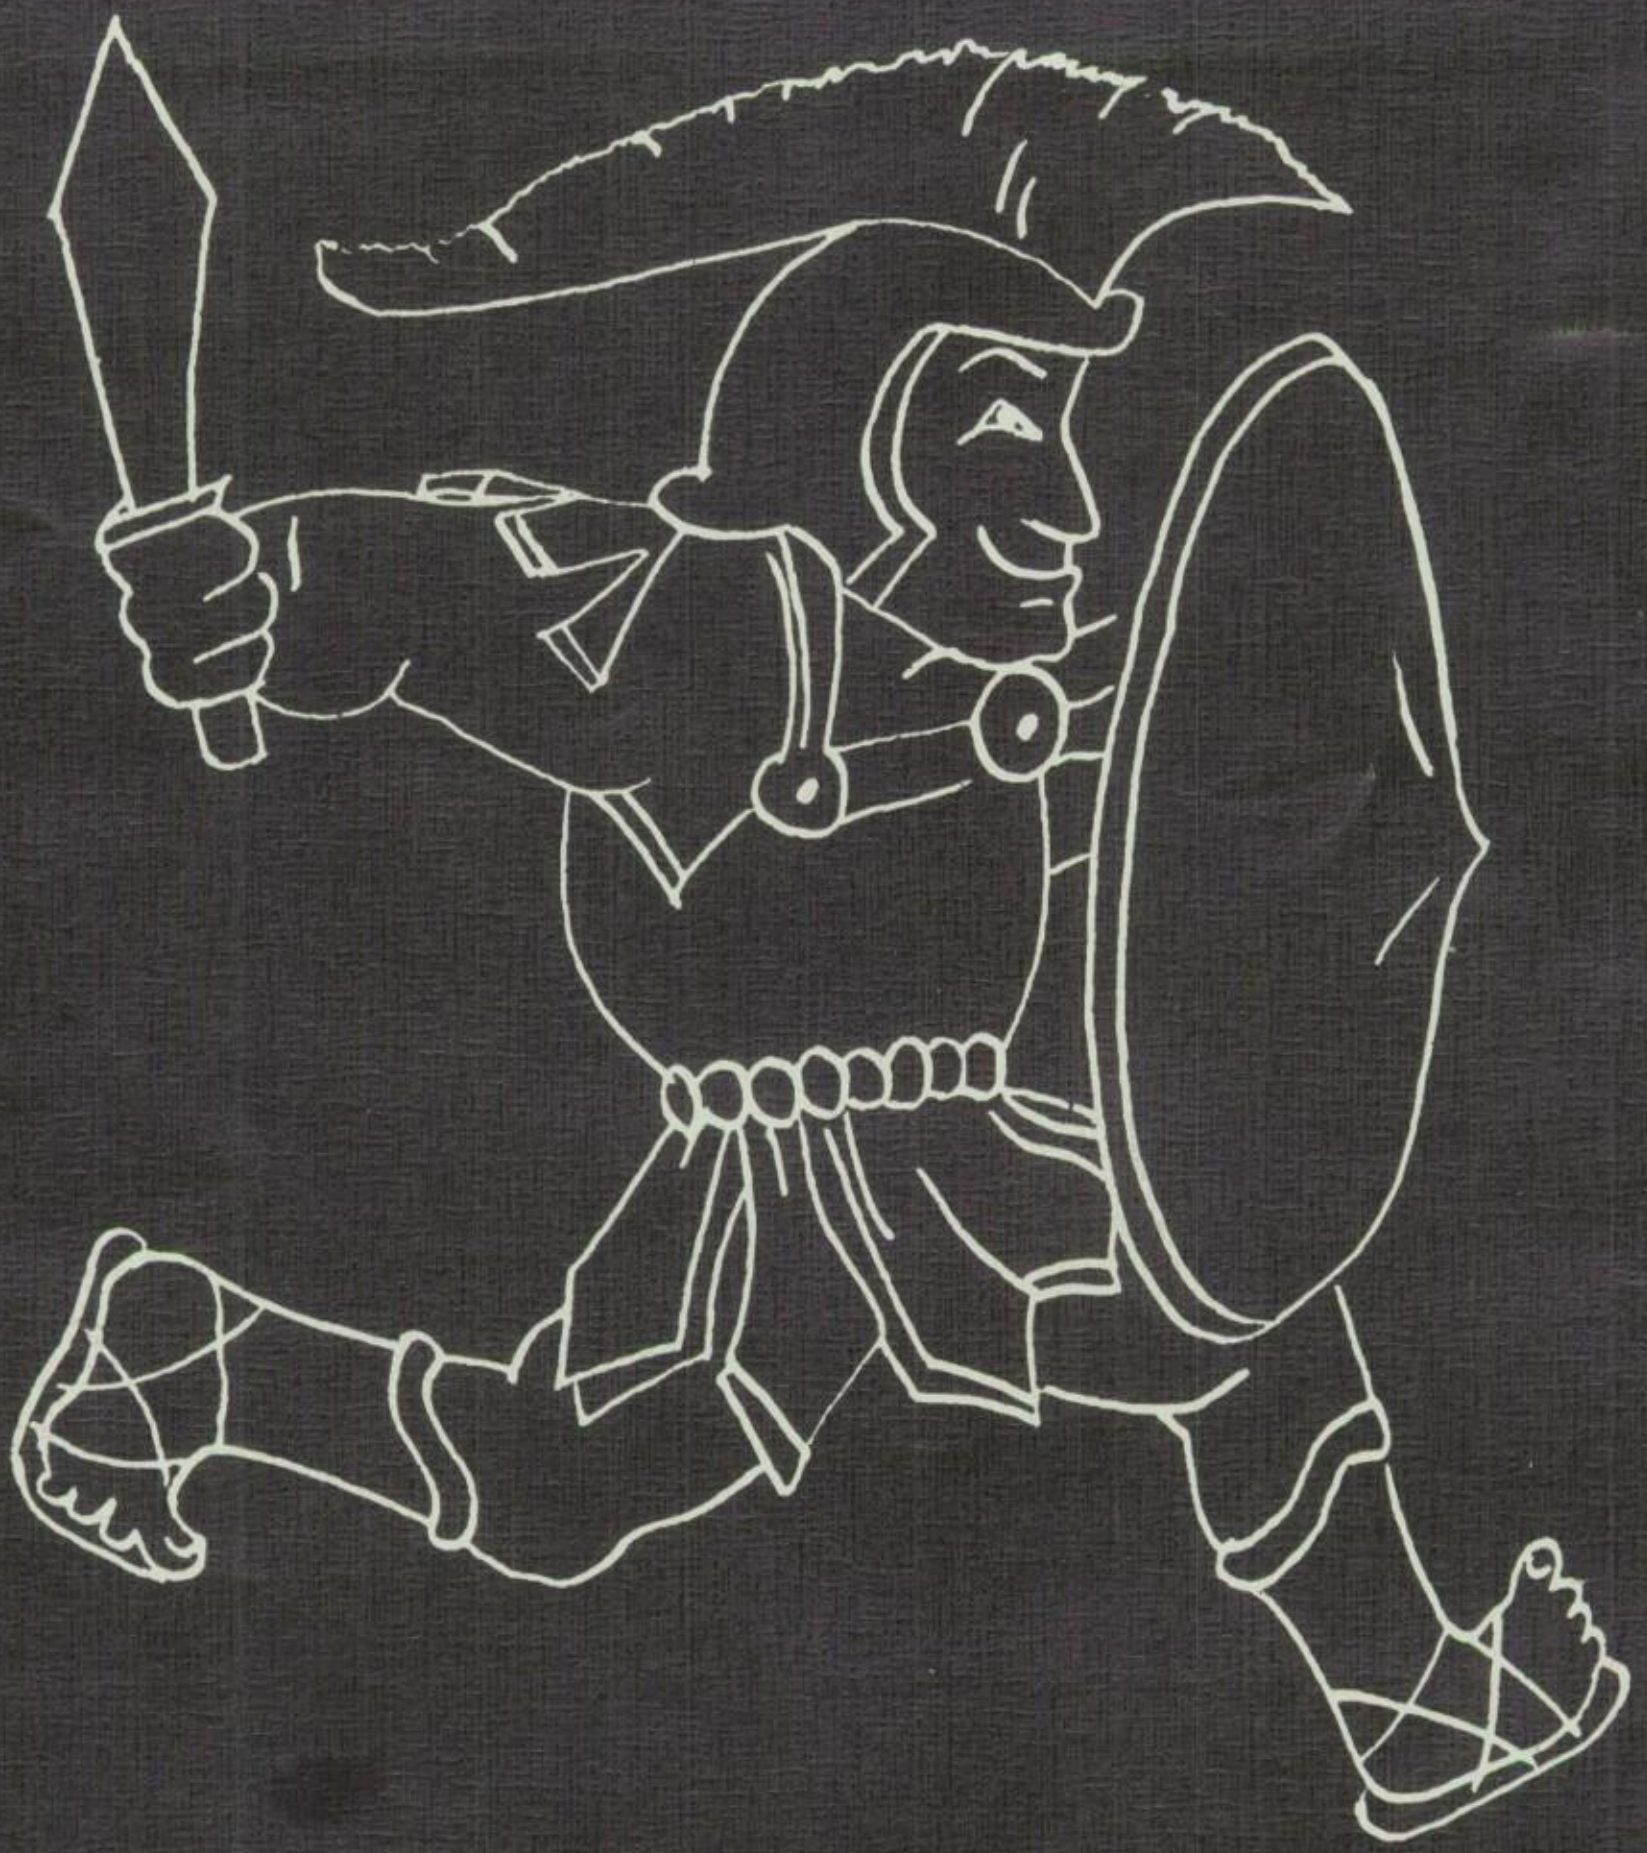
Steve Catlett, RIGHT — is the son of Mr. and Mrs. Reg Catlett of Sebree. Steve has lettered in football four years, baseball two years, golf four years and wrestling one year. He is president of Pep Club and a member of "W" Club. Steve, a member of Sebree First Baptist Church, will play football at Western Ky. Univ. on a scholarship after his graduation from WCHS. Steve thinks that the student body should help in policy making, when the policy affects the student body, but he said that the students should use open minds and consider the faculty and administration as well as themselves. Steve believes that extra curricular activities, especially sports, have helped to keep many people from quitting school. He said that extra curricular activities "have also made students work and study harder to meet eligibility requirements." Steve feels that extra curricular activities have led people to strive for higher education.

Susan Ottens, LEFT — daughter of Mr. and Mrs. John Ottens of Sebree, is a very active member of the girls' basketball team as well as being Drum Majorette of the band, Track, Beta Club, Pep Club, and "W" Club. Susan has also worked at Colonial Terrace Nursing Home in Sebree. Susan feels that these extra-curricular activities have provided her with friendship and companionship. Susan was asked if her high school years were the best years of her life and she commented yes and no. "Yes, because she was young and had many directions to go; no, because she plans to go to college and do whatever interests her most."

Receiving her high school diploma with honor, Susan feels she made a very big accomplishment. Now she is able to advance to college and increase her knowledge.



Steve Collins, RIGHT — son of Junel and Wendell Collins of Clay, feels that receiving his high school diploma is his ticket to a college where he plans to play football. Steve hasn't decided on a major. "A high school diploma is a major factor in anybody's life," explains Steve. Very active in Football, Wrestling, Baseball, Track, Pep Club and "W" Club, Steve looks back on his four years of high school as the best years of his life. Steve feels there were many things he wished he could have changed, yet a lot he couldn't be prouder about. Steve Collins will always remember the fun and excitement created by his friends and his high school years.



TROJAN PRIDE IS COUNTY WIDE IN:

Organizations

Band Wins Numerous Awards

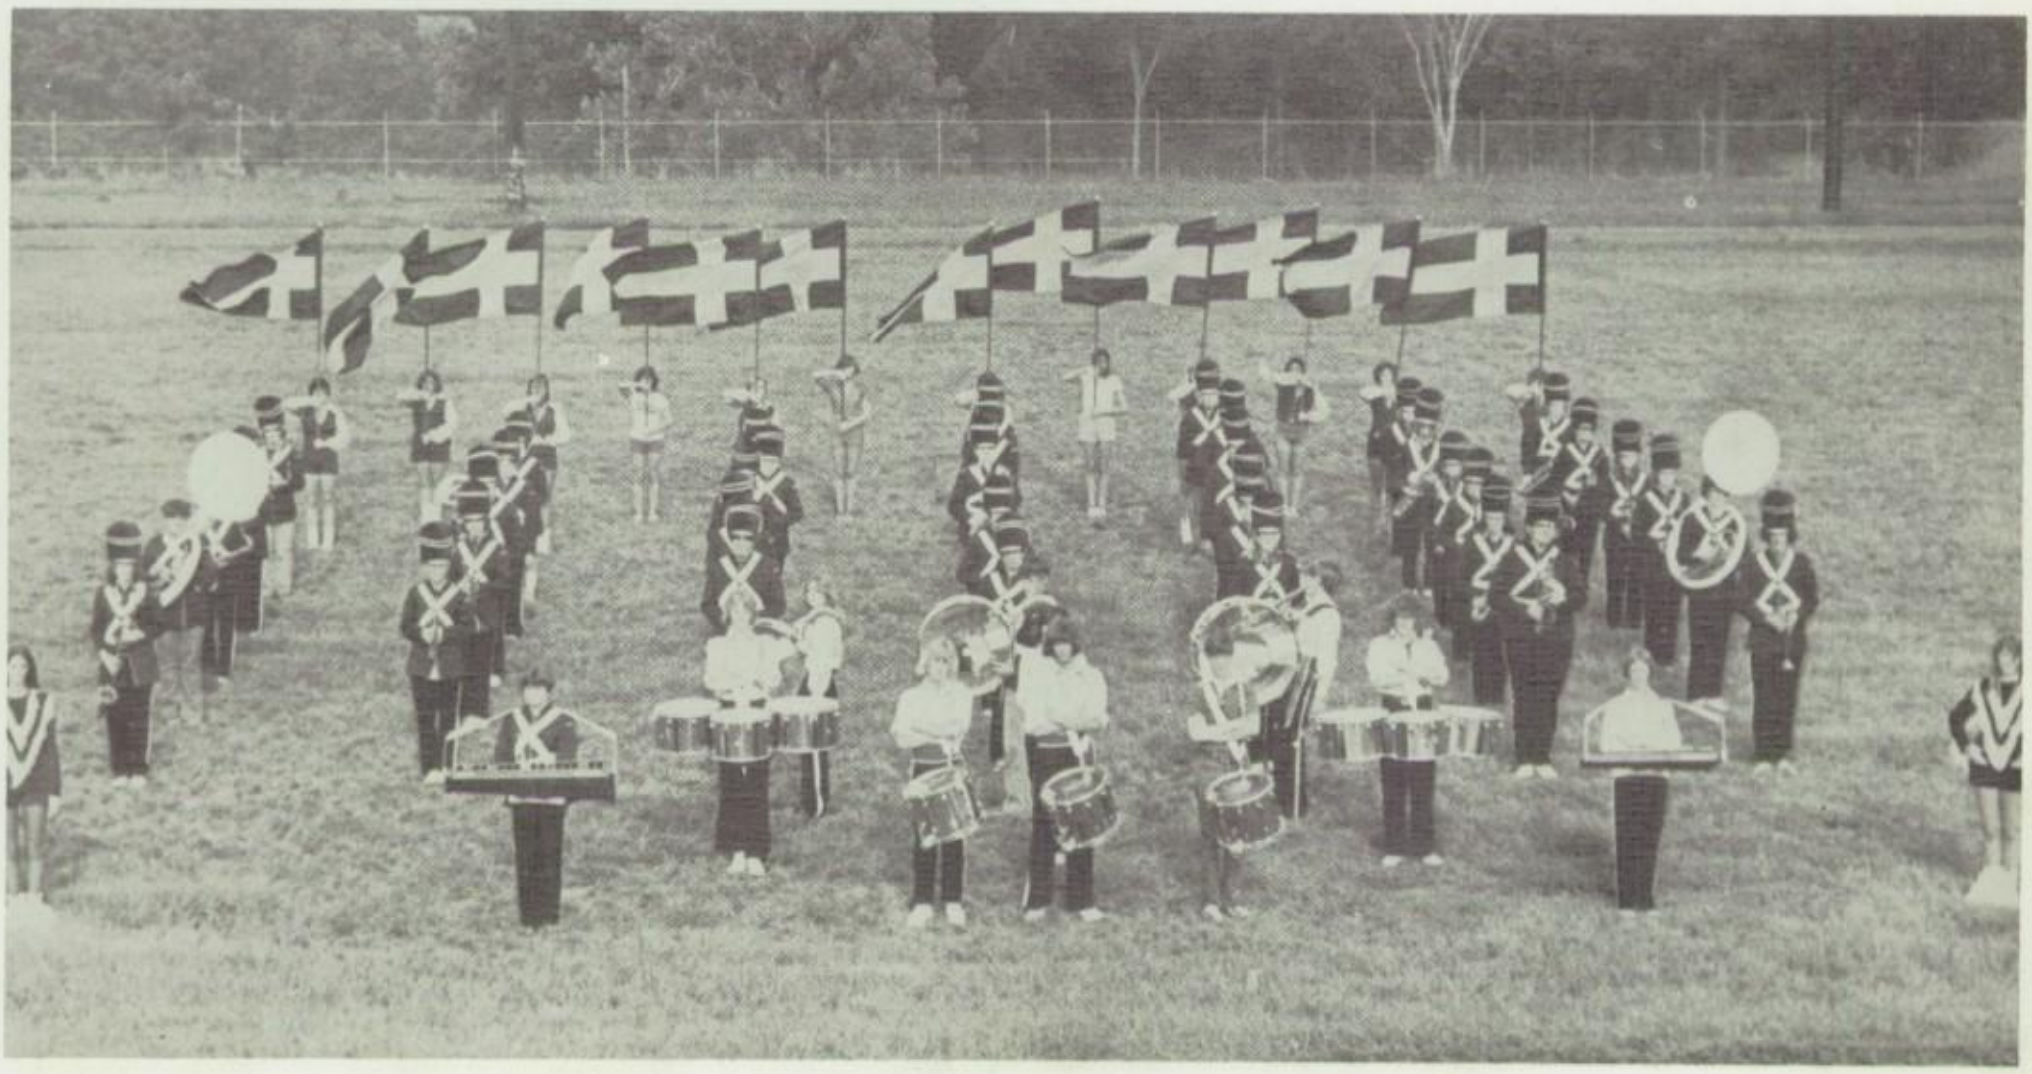
ABOVE — Ruthie Shoulders, flag-girl prepares for performance on the Trojan field. ABOVE RIGHT — WCHS Seniors were honored at the last home game of the 77-78 season. BOTTOM RIGHT — Susan Ottens, Webster County's Drum Majorette for the 77-78 year.

The Webster County band started a busy season when they went to band camp in Clarksville, Tennessee during the summer. They worked hard and it paid off when they took third place at the Eddyville Founders Day parade in their first competition of the year. From August to December the band went to many competitions which included the Governors Cup at Elizabethtown where they placed fourth. The band traveled to Lone Oak and placed third in field competition. Ohio County was next on the agenda and they received again third place. At Owensboro the band received another third despite the rain. Then at Murray they received an excellent rating and the next week at Hancock County the Trojan band won the long deserved first place trophy. Ending out the year the band went to Providence Christmas parade where they received one hundred dollars for their efforts. Though the marching season was over, the band continued to work hard for their Christmas concert and Spring concert.

Trojan Band Wins Various Competitions

The band wants to thank the Band Boosters for getting new uniforms and instruments through various money-making projects. The 77-78 Trojan Band has won more this year than any other Trojan Band. In the spring the band competed in K.M.E.A. concert band contest and a solo ensemble contest. The band then took a trip to St. Louis to visit Six Flags. Everyone rode everything , ate everything, did everything and came back exhausted, but everybody had a great time. The Trojan Band is under the direction of Mike Longdo and assistant director Andy Perry.

LEFT — Pam Hamby was one of the two drum majorettes for the Trojan band. BELOW — The Webster County Trojan Marching band drilled long hours at camp and at home to prepare for the competitions and home football games.



The Art Club Encourages Creativity

The Art Club is a new club at WCHS because this year, for the first time, classes are offered in Macrame, Drawing, Ceramics, and Painting. These classes have been considered for a long time and now the dream has come true.

The club's activities this year included attending the Evansville Museum for the Mid-States Craft Exhibit in February, and the club sponsored an art sale in May. They have also had guest speakers on art during the year.

BETA Club Is Getting Bigger and Better!

The Beta Club is an organization made up of students who maintain a 4.2 to 5.0 grade average. Each year the club has a Christmas Bazaar of homemade crafts and this year the money raised was used to present a gift to the school. The club also sold Trojan bleacher cushions to help with expenses for five members to attend the State Beta Meeting at Louisville, Ky. The club collected money for the Heart Fund and at the end of the second school year presented awards to the outgoing Senior officers: Laura Mitchell, Marcia Winstead, and Chris Plemmons. Yes, Beta Club has much to offer students who work hard at academics and maintain that standard through the four years of high school.

F.B.L.A. Means Business

Future Business Leaders of America is a club organized to promote activities pertaining to business careers. This year they had a fund-raising candy sale and the money raised was contributed to the Kentucky F.B.L.A. Scholarship Fund. The club also attended Western Ky. University for business competition and held a Teacher's Christmas Reception. It is a small club with big ideas!

FFA Receives Numerous Awards During '77-'78

Future Farmers of America is one of the busiest clubs at W.C.H.S. Its purpose is to develop agriculture, leadership, citizenship, and cooperation. Indeed, their activities and awards prove they have achieved their goal. The activities of this year include: the attendance of the officers at the Kentucky Leadership Training Center; the sponsoring of a local public speaking contest; the attendance of forty-five members at the National Farm Machinery Show in Louisville, Kentucky; the selling of popcorn at all of the home basketball games; and landscaping the front school grounds.

BELOW LEFT — F.F.A. officer Keith Duncan and club members, Richard Hess and Timmy Smith, wait for a F.F.A. meeting to begin. BELOW RIGHT — F.F.A. President, Jeff Coomes, calls a regular meeting to order. BOTTOM — This year the F.F.A. National Organization celebrated its fiftieth birthday. The officers of this year's F.F.A. Organization at W.C.H.S. are: Harold Wilkerson, Sentinel; Timmy Scott, Reporter; Keith Duncan, Treasurer; Darrel Wilkerson, Secretary; Rodney Newton, Vice-president; Jeff Coomes, President.

F.H.A. Is on Its Way!

The Future Homemakers of America Club is more than just cooking and sewing as some believe. The club is one of the most active at WCHS. They have sold Value Paks, calendar towels, Currier and Ives trays, and held candy sales as fund-raising projects. They held a "New Member Recognition Day" instead of the traditional initiation this year. Many members attended the Fall and Spring Regional Meetings, where Reva Duckworth serves as Regional 2nd Vice-President, Morrisa Watson and Mary Tapp are on Regional Committees and Terry Warren is on a State committee. The club's most important project this year was their Impact Project entitled "Healthy Babies, Chance or Choice." The FHA Dreamboat this year was Steve Collins.

Industrial Arts Visits Local Plants

The purpose of the Industrial Arts Club is to learn more about the processes of industry. This year they have worked toward their goal by taking field trips to Goodyear, York and General Electric plants in Madisonville. As a fund-raising activity the club sold handsome name plates for use on mail boxes and doors.

Pep Club and "W" Club Promote School Spirit

"W" Club is a club open to students who have lettered in varsity sports. The club sponsors one of the most enjoyable activities at WCHS: The Annual Student-Faculty Basketball Game and the Maroon and Gold Basketball Game. The club's other activities of the year were: Placing a "Trojan Pride Is County Wide" banner in the lobby, painting the WCHS press box and paying for half of the WCHS Principal's List directory.

Pep Club is open to anyone who is interested in supporting the Trojans. This must be the reason it is the largest club at WCHS. It also has the most school spirit. Some of the club's spirit raising activities this year were: Spirit weeks for football and basketball homecomings, decorating the school halls and gym and selling Pep Club buttons and "District Champs" shirts for the football season.

It is obvious to see when you look at the activities and involvement of these two outstanding clubs that they are necessary for any school sport. They make a winning season no matter what the scoreboard says. With this student interest, how could the Trojans lose?

Science Club Sells Garden Sets

The Science Club has been busier than ever this year. Their main activity of this year was making a cold frame in which they planted and grew garden sets for resale. These were sold to people and businesses in Webster County. They also had a guest speaker, Mr. Phil Gillaspie, who talked on their "Plant Project."

Speech — Debate Teaches Verbal Communication

The Speech and Debate Club's purpose is to help students learn to communicate better through verbal and non-verbal events. The members have participated in meets in Bowling Green, Calloway County, and Owensboro. At the Calloway County Tournament Morrisa Watson placed third in extemporaneous speaking. Terry Watson won the Voice of Democracy Contest in Webster County and placed third in the Regional Contest.

Members of the Speech and Debate Club are, front row, left to right; Advisor Kathie Richardson, Todd Sheeks, Terry Warren, and Mary Ellen Nance. Back row, left to right: Advisor Thressa McClain, Mary Tapp, Morrisa Watson, and Lesa Tapp. All members work very hard.

Student Council Helps Out

The Webster County High Student Council is a group that organizes many activities to make school life more enjoyable. The group sponsored the Football Homecoming and the Spring Dance, filled food baskets for the needy families at Christmas and worked toward buying new back drapes for the school stage. In addition they give an annual Teacher of the Year Award.

VICA Helps Out in the Community

Both A.M. and P.M. VICA members are students in Vocational School where many skill classes are offered. This year, for the rst time, Medical Careers is offered. This one class increased the Vocational School enrollment a great deal. Not only were the asses interesting, so were the club activities.

The activities the club sponsored this year were: a car wash, monthly newspaper, ping-pong tournament, and ice skating party. hey also enjoyed entering a float in the Providence Christmas Parade, collecting canned foods for needy families, and helped ith the "Toys For Tots" campaign. The club sent its officers to a State Leadership Camp where two of the officers, Darnell IcCoy and Debbie Stone, received the "Statesman Award" for outstanding leadership skills.

Chorus Is Singing Right Along

The W.C.H.S. Chorus, directed by Mike Longdo has been very active this year. They held a Christmas and Spring Concert. They also performed at various churches at Sebree and Diamond. The Chorus attended the KMEA Choral Contest at Owensboro and three members Bobby Sheilds, Mary Beth Price, and Shannon Byrne represented W.C.H.S. at Quad State at Murray. To highlight the year a trip to Kings Island in Cincinnati was planned as a well deserved reward for a year of very hard work.

Athletics

Trojans End Season With Six Wins

'EBSTER CO. 13 Butler Co. 21 — The Trojans lost the first me of the season in a heartbreaking overtime loss. Butler took 7-0 first half lead but on the Trojan's first possession of the sec-d half they drove all the way and tied the score at 7-7. Butler ored again and with less than three minutes left in the game the rojans scored and tied the score at 13-13. A missed extra-point nt the game into overtime. Butler scored first and won the me 21-13.

'EBSTER CO. 28 Crittenden Co. 6 — It was the Trojan's first n in a year and a half and everybody was fired up about it. The rojans scored first and took a 6-0 lead, but the Rockets came back and tied the score at 6 each. The second half was all Webster Co. as their defense shut down the Rocket offense while the Trojan offense put 22 points on the board. Coach Hawkins said "It was like winning the Super Bowl."

WEBSTER CO. 12 Oldham Co. 0 — The Trojans waited a year to have another shot at the Colonels and when they got it they exploded into a 6-0 first half lead. Their defense sacked the Oldham Co. quarterback 12 times over the night. The defense also had three interceptions and three fumble recoveries. The Trojans added six points in the second half to make the final score 12-0.

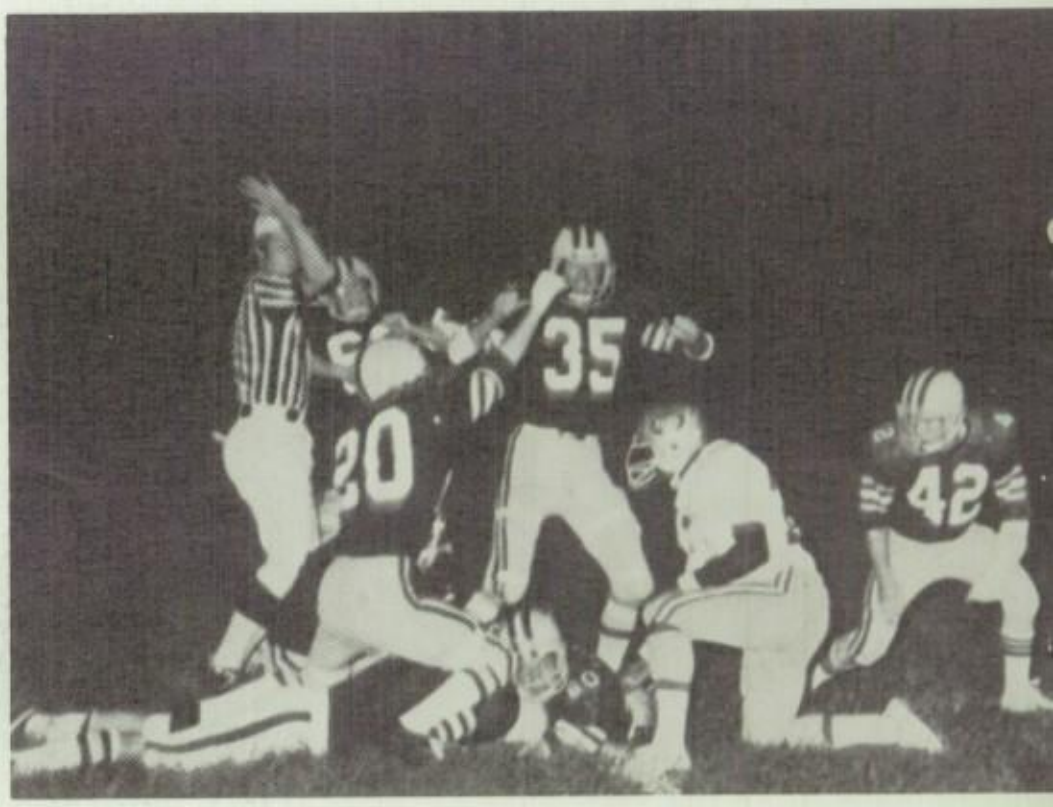
Trojans Drop District Opener

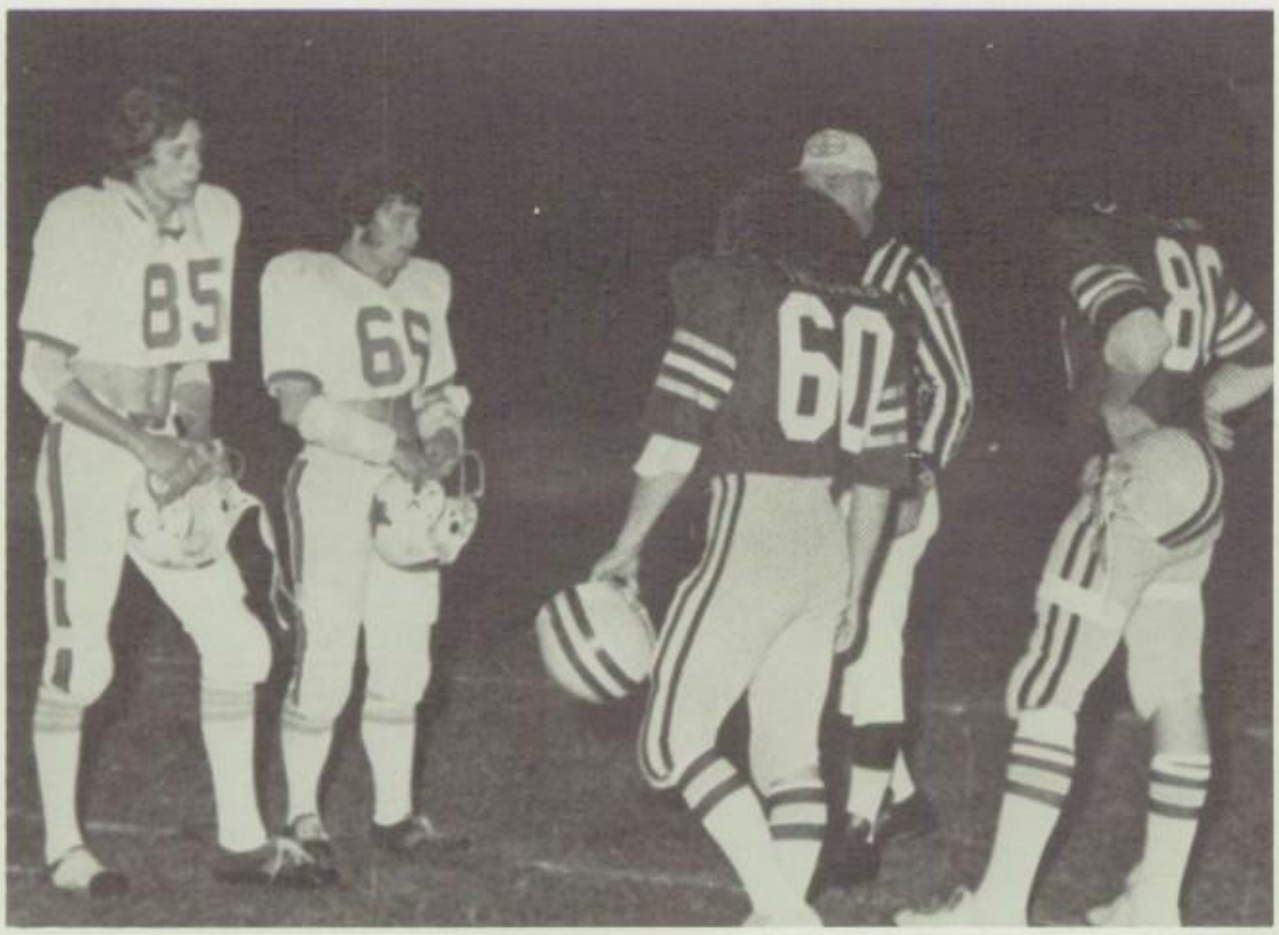
WEBSTER CO. 22 McLean Co. 12 — The Trojans went into this game sluggish after their big win the week before. The Cougars jumped out to a 12-0 first half lead. The second half was all Webster Co. as they took a 13-12 lead in the third quarter. The Trojans added 8 points in the final quarter to make the score 21-12. The Trojans' record now stood at 3-1.

WEBSTER CO. 0 Todd Co. 7 — The Trojans had bad luck on their homecoming game. They couldn't get the ball moving on offense and never really played the ball they were capable of playing. The game ended at 0-0 and Todd Co. put 7 points on the board in the extra period. The final score was 7-0 and the Trojan record stood at 3-2.

WEBSTER CO. 0 Union Co. 28 — This was the first district game for the Trojans and they played their worst game of the season. The offense couldn't get generated and the defense was on the field most of the night and was finally beaten down by the Braves' offense, and the rain. The final score stood at 28-0.

BELOW RIGHT — Trojan defense James Knight (20), Jeff Salyers (35), Mike Eddings (60), Eddie Greenfield (42) recover a fumble in the Todd Co. game.





WEBSTER CO. 19 Lone Oak 12 — This was the second district game for the Trojans and they met the challenge head on. They knew that to win the district championship they had to win this game. The Trojans recovered a fumble on the first play of the game and on the next play connected on a 40 yard touchdown pass. The score remained 7-0 until the fourth quarter when the Purple Flash tied the score at 7-7. Both teams scored in the first overtime period and the score remained tied at 13-13. In the second overtime the Trojans' defense held and the offense scored to give the Trojans their first overtime win. Their record now stood at 4-3 overall and 1-1 in the district.

WEBSTER CO. 12 Ballard Co. 6 — The Trojans jumped out to an early 6-0 lead and their defense held Ballard Co. to 18 total yards the first half. Ballard scored at the end of the third quarter to tie the score at 6-6. The game ended with the score at 6-6. In the overtime period the Trojans scored first and Ballard was driven back to the 40 yard line. This made the Trojans a 5-3 record overall and 1-1 in the district.

Trojans Wrap Up District Title

WEBSTER CO. 0 Marshall 28 — The Trojans were just overpowered by the 4-A Marshalls. They were much bigger and quicker. The Trojan offense couldn't get generated and the defense had one of its worst games of the year. The Trojans' record stood at 5-4 overall and 1-1 in the district.

WEBSTER CO. 34 Reidland 6 — The Trojans went into this game knowing that if they won they would win the district. They were fired up and jumped out to a 28-0 halftime lead. The second half was played by almost entirely the J.V. team as they finished off the Greyhounds by a total of 34-6. This gave the Trojans the district championship and the first winning record since 1973. The record was 6-4.

WEBSTER CO. 0 Franklin-Simpson 42 — The Trojans went into their first playoff game ever as a big underdog. They were fired up but Franklin-Simpson was just too much. The Trojans fumbled 5 times in the first half and just couldn't get anything started in the second half as the Wildcats won 42-0.

Trojans Drop District Opener

The Trojans lost their first district game of the season to Union Co. in a heartbreaking 64-57 overtime game. The Trojans rallied in the fourth quarter and tied the score at 51 apiece. In the overtime period the Braves outscored the Trojans 13-6.
In the Trojans' first meeting with rival Providence the team came away with an impressive 17 point victory. The Trojans took command from the first of the game and played superb throughout the contest. The final score stood at 95-78. As the season went on the Trojans improved. They proved this when they defeated McLean Co. by the score of 79-69. This was a team that earlier in the year defeated the Trojans by 41 points. The Trojans played excellent ball and after the first mintue never trailed the Cougars. The Trojans' season came to an end when they lost to Union Co. in the district tournament. Although they were down by 20 points at times they battled back and never gave up. Coach VanZant has a strong team returning next year and should be district contenders. The Trojans have nothing to be ashamed of and should hold their heads high because the entire school is proud of them.

At the Christmas break the Freshman Trojans were 2-2 for the season. At that point Mr. Bob Rodgers took over as head coach. The freshmen won seven of their next 11 games, while facing some stiff competition in Henderson, Morganfield and South Hopkins. In the freshman district tourney they finished runner-up and Mr. Rodgers feels that with some hard work the freshman Trojans could be an outstanding team for Webster Co. in the future. Coach Bob Mantooth said that his J.V. players gave 110% all the time. The J.V. Trojans were always smaller than their opponents. Despite their disadvantage of size the J.V. Trojans finished with a record of 6-9.

Trojan Hitting Proves Big Asset During Season

The Webster County baseball team jumped out to a good start winning 6 out of their first 7 games. The Trojans defeated Crittenden Co. 10-5, Providence 13-8, and 8-7 in a doubleheader. They then lost their first game of the season to Hopkinsville 8-1. Through the next week the Trojans defeated Lyon Co., Breman, and McLean Co. The Trojans then split a doubleheader with Union Co. to make their record 7-2 as the Trojans headed for Florida.

The Trojans found competition tough in Florida as they played 6 games in 4 days and dropped all 6 games. The Trojans came back to Webster Co. with a record of 7-8.

The Trojans found home to their liking as they dropped district rival Henderson Co. 8-6 and Dawson Springs 13-0 in their first two games at home. The Trojans then hit a slump and dropped four games in a row to Henderson Co., West Hopkins, and two to Madisonville. The Trojans got back on the winning track as they defeated Crittenden Co., Hughes Kirk, Union Co., and Breman to run their record to 15-12. The Trojans then lost both ends of a doubleheader to Madisonville 7-4, and 5-2. The Trojans then defeated Hughes-Kirk 14-1 to make their record 16-14.

The Trojans headed into district play as the defending champs. They were depending on their hitting to pull them through. Steve Catlett led the sluggers with 10 home runs followed by Chris Plemmons with 6 and Chris Knight with 5. Steve Collins led the Trojans in average with a .407 mark followed by Mike Dunn with a .370 mark. The Trojans played Henderson Co. in the first round and came out with a 3-0 loss. Pitcher Eddie Greenfield pitched a good game and the Trojans only committed one error. Despite the performance by the Trojans the hits would not fall for them and their season was ended.

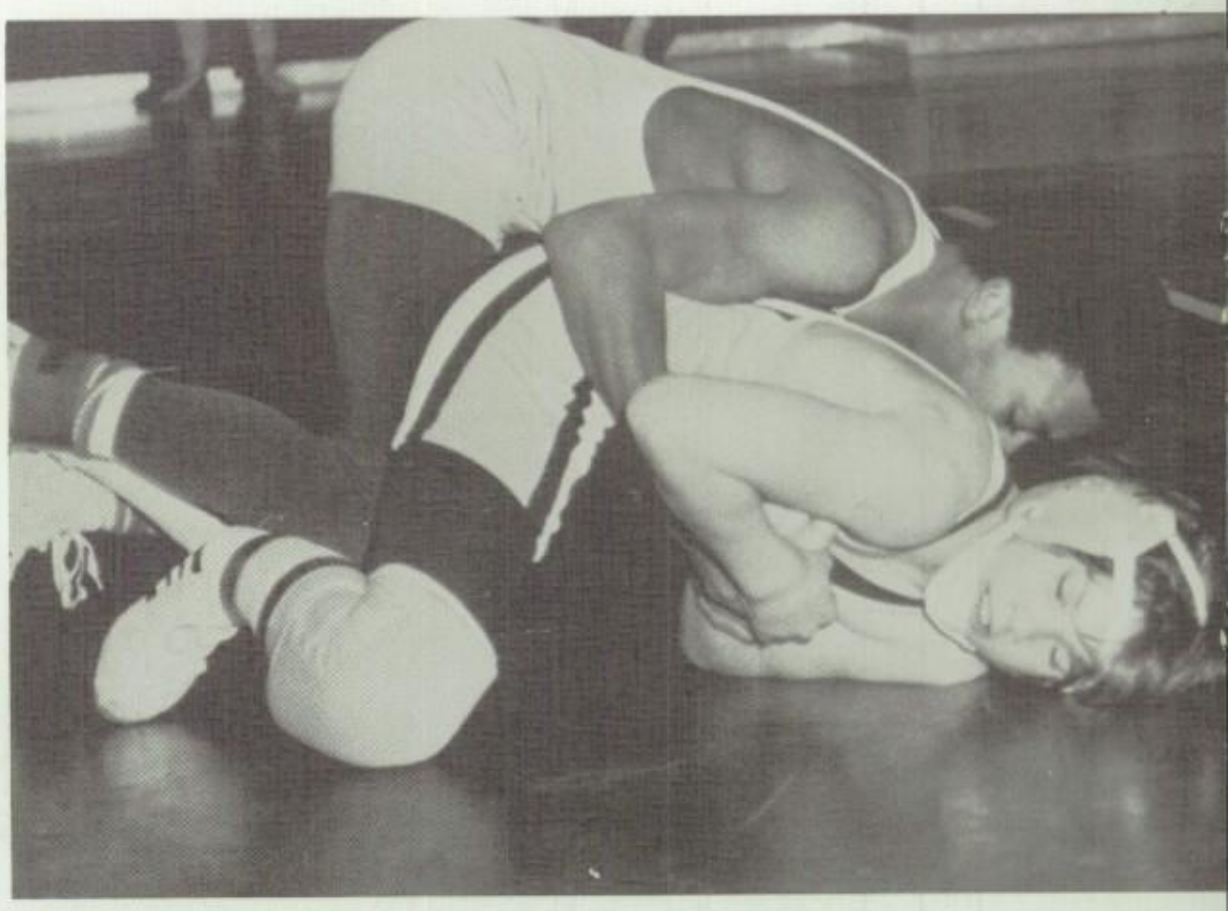
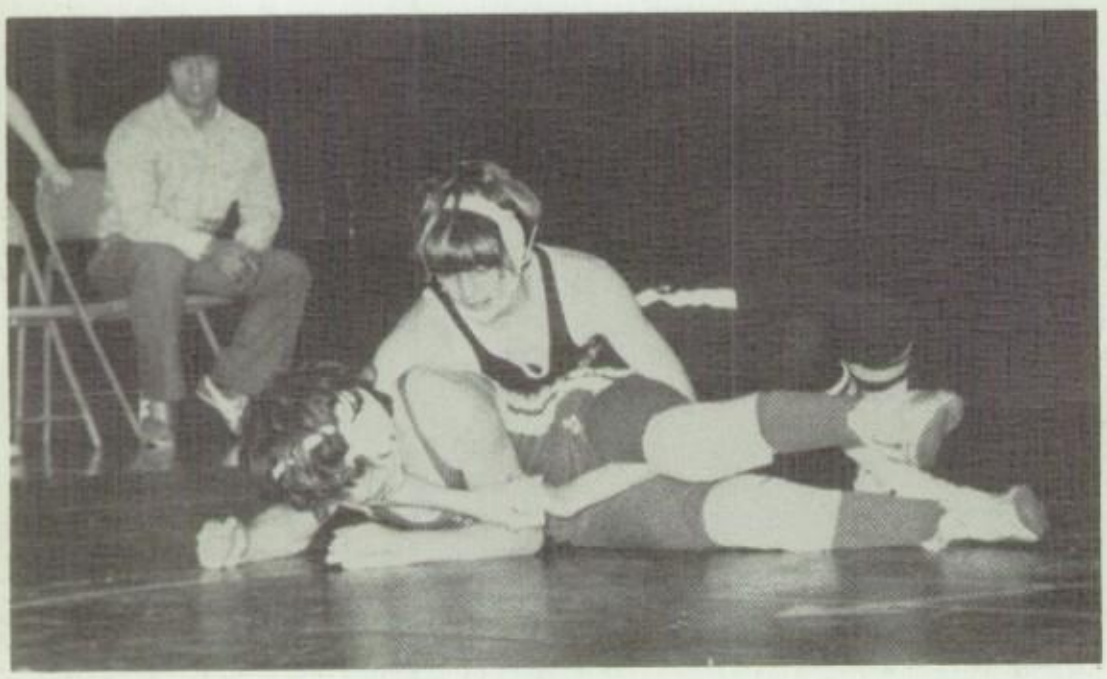
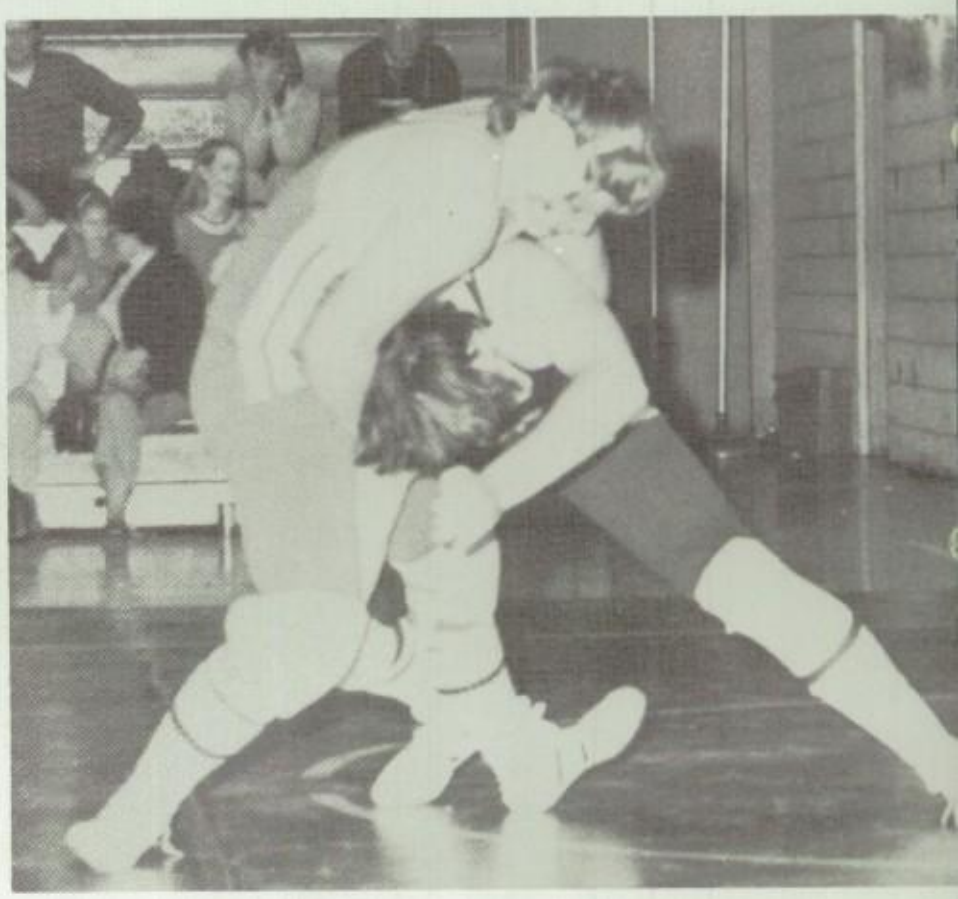
Weather Plays Havoc With Wrestling Season

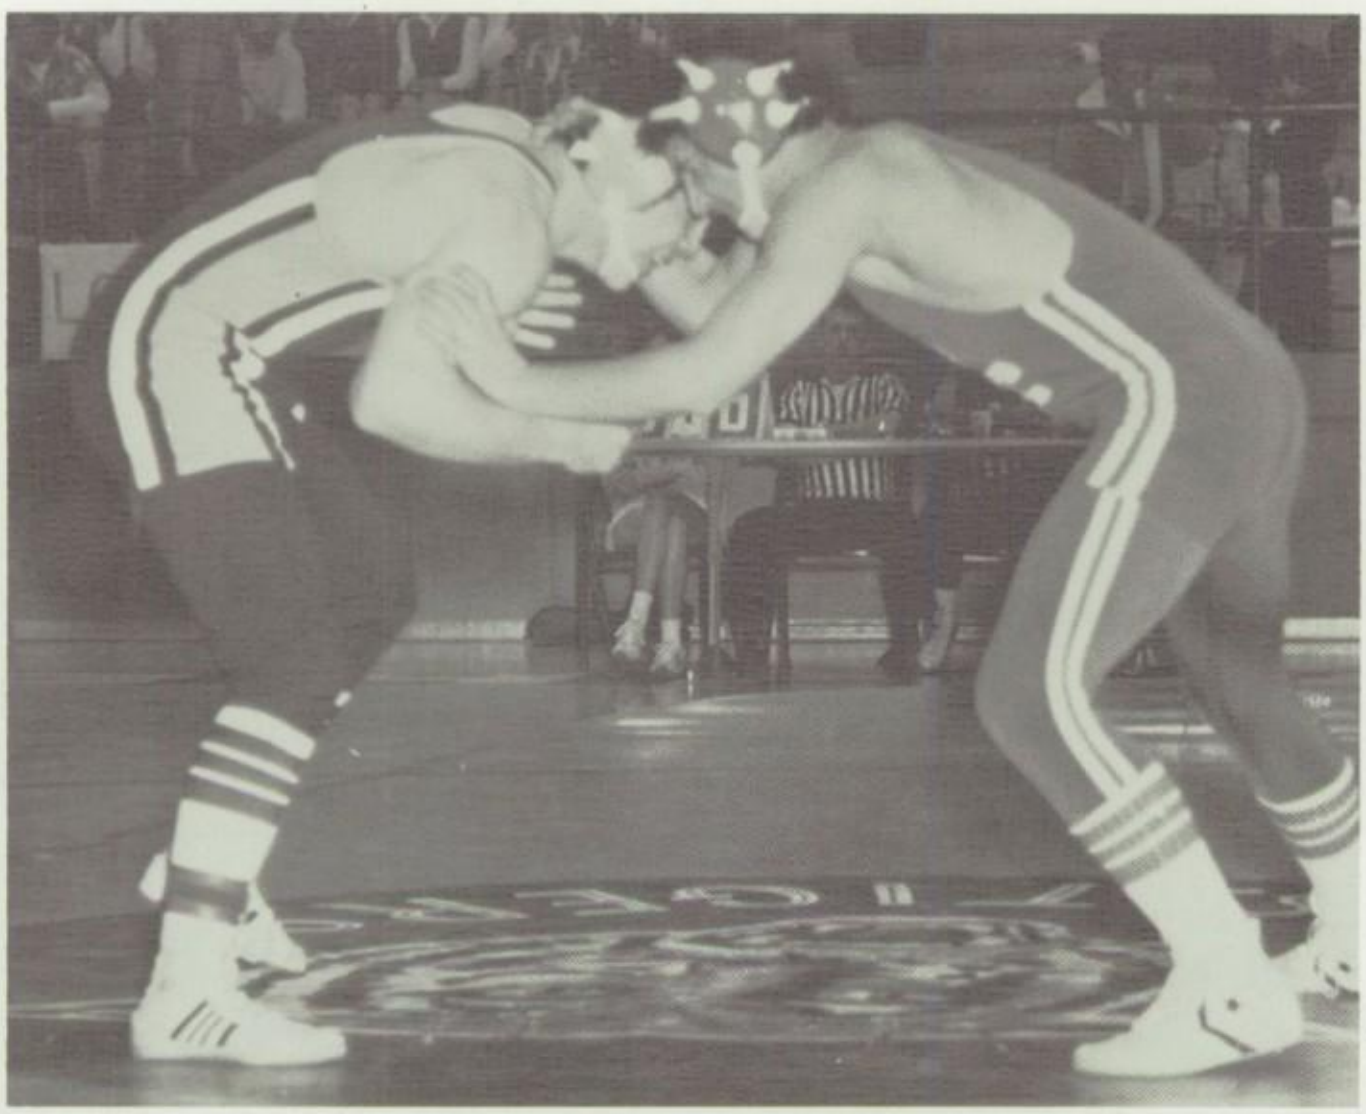
The snow shortened the Webster County wrestling team's season, as they only had 4 matches. They did wrestle in 3 tournaments and did very well in two of these tournaments. The first match of the season was with Caldwell Co., the Trojans won the first 3 matches but the other weight classes went to the Tigers as they won the match 43-19. The second match was against Ft. Campbell and the Trojans lost 46-24. However, the 24 points was the most scored against the Falcons thus far in the season and the Trojans wrestled better than ever before. The third match was against Union Co. and the Trojans lost 50-12. The Trojans did not wrestle up to their potential and needed a lot of work for the second half of the season.



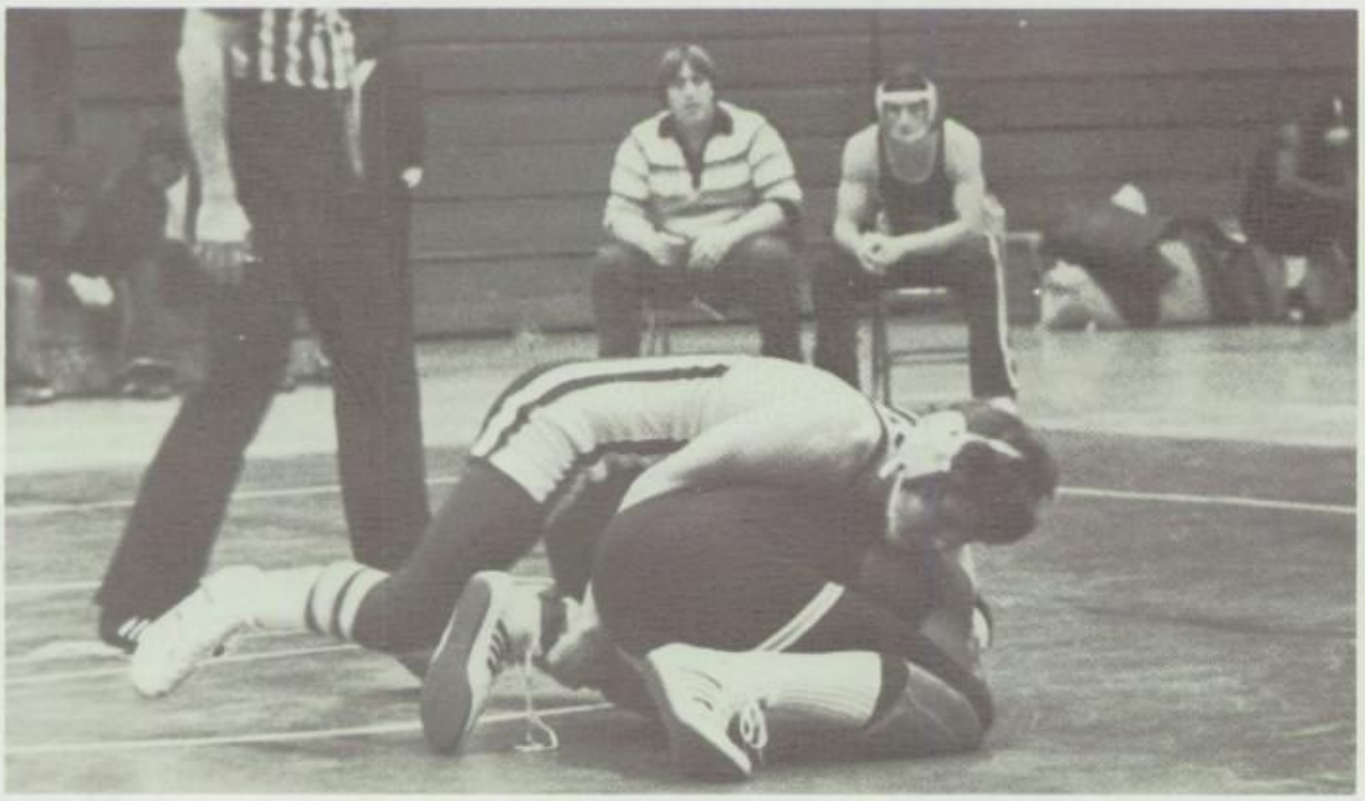




ABOVE RIGHT — Freshman Barry Green works for an escape against a Union Co. wrestler. ABOVE — Bill Sneddon tightens up a pinning combination against Caldwell Co. RIGHT — Senior Wrestler Steve Catlett shoots a takedown on a Caldwell Co. wrestler.



In the Trojans' fourth match of the season they wrestled Christian Co. and lost 32-31 but it was a close match and the best the Trojans had wrestled all year. It showed that they were coming and would be ready for the tournaments. In the Trojans' first tournament, the "Trojan Tournament," the grapplers finished third and got a trophy for their efforts. Medal winners in the tournament were Rodney Williams, Barry Green, Eddie Greenfield, Jeff Salyers, and Steve Catlett. In the Blue-Gray Tourney at Ft. Campbell the Trojans finished fourth and impressed every team with their aggressive wrestling. Medal winners in the Blue-Gray were Rodney Williams, Eddie Greenfield, Steve Collins, Casey Williams, and Jeff Salyers.



TOP — Steve Collins is battling for a takedown against a wrestler from Paducah. ABOVE — Eddie Greenfield is working on a pinning combination against Christian Co. ABOVE RIGHT — Coach Sheridan shows the enthusiasm that carried the Trojan wrestling through the season.

Grapplers Fall at Regional Tourney

In the regional tournament at Christian Co. the Trojans did not live up to the reputation they had acquired over the season as "tough" wrestlers. The highest a Trojan placed was fourth. The individual records went like this: Barry Green 5-6, Bill Sneddon 4-5, Rod Williams 6-3, Mike Brantley 1-4, Wally Stewart 1-5, Bruce Goad 2-6, Chris Daniel 4-6, Eddie Greenfield 7-5, Steve Collins 3-5, Casey Williams 4-1, Jeff Salyers 4-1, and Steve Catlett 5-6. The Trojans will have some good and experienced wrestlers returning and are looking forward to what should be a successful season in the 1978-79 wrestling season.

Trojan Baseball Team Plays in Florida

The Trojan baseball team had a first for Webster Co. High School. The baseball team through selling calendars and getting donations from several people and organizations raised enough money to spend four days in Florida. The team found competition tough as they did not win a game. Actually the Trojans minds were on the ocean and sunshine rather than playing baseball. Taking all things in hand it was a good trip and the Trojans would like to say thank you to all the people that made the trip possible.

Boys' Track Team Boast Winning Season

Webster County Boys' Varsity Track had a winning season with a record of 6-3. The varsity team won over Crittenden Co., McLean Co., South Hopkins, West Hopkins, University Heights Academy and Job Corp. The varsity team lost to Union Co., Providence, and Madisonville. The Webster County boys broke four school records this season. Mike Clayton broke the 880 record with a time of 2:11.2 and Clayton also broke the 2 mile record with a time of 10:19, Hank Forker, Brian Market, Rodney Williams and Paul Ray broke the mile relay record with a time of 3:50.4, and pole vaulter Brown broke the school record for pole vaulting at a height of 10'6". Track Girls Finish Season With 9-2 Record

There were fifteen girls in Track this year. They finished with a winning season with nine wins and only two losses. The first Webster County Invitational Track Meet was held at the beginning of the season.

There were a few school records set this year. Jackie Zachary — Shot Put — 38′6″; Sheila Anglin, Sheila Glasco, Linda Jones and Johnetta Gobin — Mile Relay — 4:28; and Sheila Anglin, Sheila Glassco, Linda Jones, and Johnetta Gobin — 880 Medley — 1:58.

The class A Regional Track Meet was held at Webster County. The following girls qualified for state: Jackie Zackery — Shot Put — 38′6″, Discus — 107′1″; Johnetta Gobin — 60 yard Hurdle — 8.9, 110 yard Hurdle — 16.3; Sandy Beach — High Jump — 4′10″; Sheila Anglin, Linda Jones, Johnetta Gobin, and Sheila Glassco — 880 Medley — 2.03.

A First for WCHS — Boys' and Girls' Tennis

In 1978, Webster County introduced tennis to their spring sports schedule. Mr. Russell Van Zant coached both the boys' and girls' teams. The boys began their season with a bout against Union Co. on April 24th; which they lost 9-0. The next match, April 27, the Trojan netters faired better as West Hopkins defeated them 7-2. Wade Howard and Ray Palmer defeated their opponents by scores of 8-3 and 8-4 respectively. In their third match of the season Union Co. defeated the Trojans only 4-2 with Trojans Terry Turner winning 8-2 and Frankie Edwards 8-6. The Trojans were represented at the regional tournament in the singles division by No. 1 seed Don Edwards and No. 2 seed Ray Palmer. No 3 and 4 men, Bobby Davis and Wade Howard represented WCHS in the doubles.

The girls began their season on May 9 against West Hopkins. Even though Nancy Walker won 9-8 and Sheila Glassco won 8-6 the Lady Trojans were defeated 5-2. The next day against Union Co. Nancy and Sheila won their matches with identical scores of 8-5 as the lady netters were downed 5-2. On May 18 Union Co. defeated the Trojans 5-0. On May 20 the Webster Co. team lost 7-0 to West Hopkins. The No. 1 female seed, Nancy Walker and No. 2 seed, Sheila Glassco represented the Trojans in singles at the regional tournament May 26. The doubles team consisted of Sharlene Hartford and Wanda Brantley, the No. 3 and 4 seeded girls.

In Memory of Lisa

Lisa Diane Sandefur died December 13, 1976, from injuries she received in a car accident. Lisa and some of her friends were on their way to school with materials to prepare a Christmas party for retarded children. The car was also filled with food that Lisa planned to donate and help distribute to needy families throughout Webster County. A tragedy brought all of this to an end, but because of the active role Lisa played at WCHS as a class officer and member of DECA and other clubs, she will remain an important part of each of her fellow classmates who knew and cared for her.

ONE HUNDRED FORTY-TWO SENIORS GRADUATE

One hundred and forty-two seniors received diplomas in late May but in October honors began to be bestowed upon some of the class members. At open house in October twenty-five seniors were honored by being named to Who's Who in American High Schools. There were twelve seniors elected by popular vote as Campus Favorites and Chester Davis and Angie Wells were chosen Class Ideals. One of the major projects of the class was to select a gift to leave the school. During spirit week the Senior hall decorations took top honors. The parents of Senior athletes, cheerleaders and band members were honored at a tea hosted by DECA. Class meetings were conducted to order invitations and caps and gowns.

Juniors Raise $2,200 for Prom

This has been a busy year for the class of '79. They have had many money making projects and also ordered their class rings.

The most important goal of the Junior class is to present a prom for the Seniors. The Juniors have been working toward this prom since their freshman year. They have raised $2,200 selling popcorn, kitchen reminders, and candy bars.

The Juniors can now look forward to their most exciting year, the final one.

Sophomores Begin Raising Money

The sophomore class spent much of their time supporting the Trojans at sporting events and class members were also involved in extra-curricular activities which included band, cheerleading, sports and various academic organizations.

The class of '80 began preparations for their Junior Prom by selling popcorn in order to raise money. This year's sophomores were a very spirited group. During Spirit Week they were selected as the loudest class after yelling their class slogan, "We're the class that's on the go, we're the class of 8-0."

Class of '80 Numbers 221

This 221 member class started off the year much like any other Freshman class, by stumbling into the wrong rooms. In a few days they were getting around the school just like the juniors and seniors.

The Freshman sponsors are Mr. Allen, Mr. Childress, Mrs. Hampton, Mrs. McClain, Mrs. Rich, Mrs. Wells, and Mrs. Winstead. This year's Freshmen can look forward to such future activities as, selling things to give the class of 1980 their senior prom, and buying their class rings. Some of the Freshmen will be looking forward to getting invitations to join Beta club for their academic achievements.

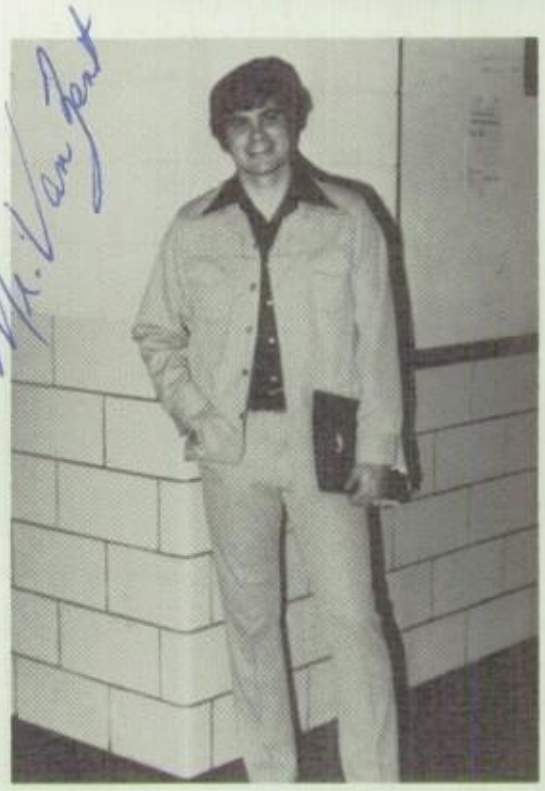
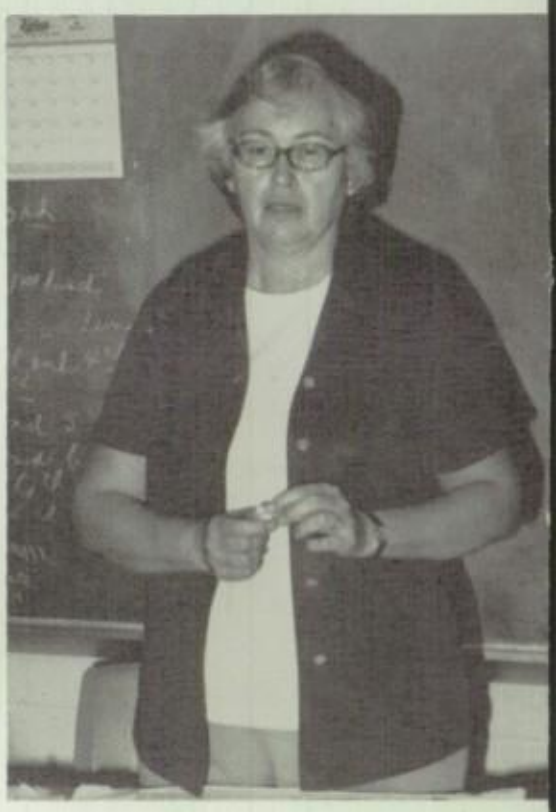
in school.
Mrs. Hedges

RIGHT — Mrs. Donna Fletcher, a new teacher at W.C., joined the English and Social Studies Departments.

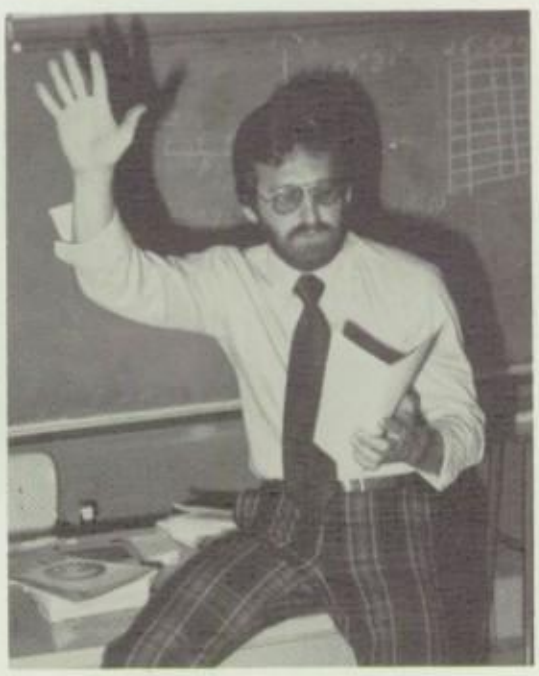
FAR RIGHT — Hugh Porter, FFA chapter adviser, plans another FFA field trip.



ABOVE — Thressa McClain relaxes after a busy day in the Business Department. ABOVE RIGHT — Head basketball coach, Russell VanZant, is also a member of the Social Studies Department. RIGHT — Pat Ford referees her P.E. class in a volleyball game. FAR RIGHT — Ruth Winstead explains how to diagram a sentence.



LEFT — Gerry Rich, member of the Social Studies Department, surprises her Youth and Law class by taking homework grades. BELOW — EMR teacher, Donald Allen, gives a sly grin while grading papers.

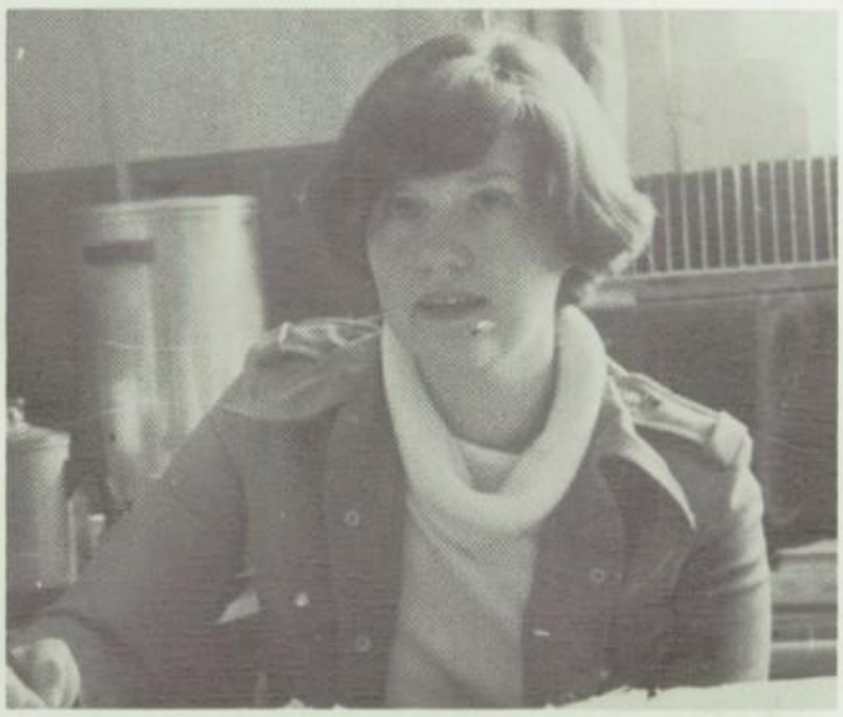


ABOVE LEFT — Janice Gibson dictates a letter to her second period Shorthand class. ABOVE RIGHT — Hugh Ridenour, Head of the Social Studies Department, gets involved in a class discussion. LEFT — Kay Hampton shows a film to her fifth period Bible Literature class.

TOP RIGHT — During Mrs. Richardson's planning period she designs a winter showcase. TOP LEFT — Micheal Longdo takes a break from his busy schedule of directing the W.C.H.S. Band.

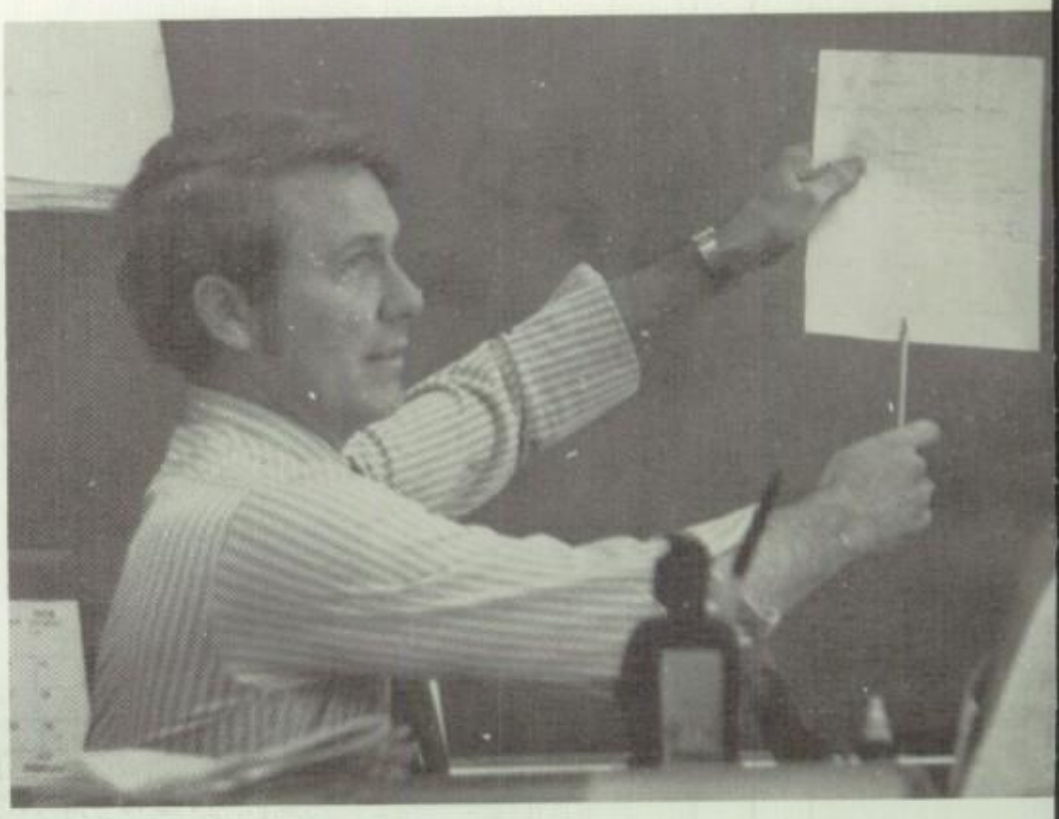
ABOVE — Patricia Donahoo takes a break from sorting Home Ec. papers for a quick pose. RIGHT — Ann Mitchell, Beta Club advisor, checks report cards to see which sophomores will get an invitation this year. BOTTOM RIGHT — Dave Elliott plans strategy for his upcoming game.

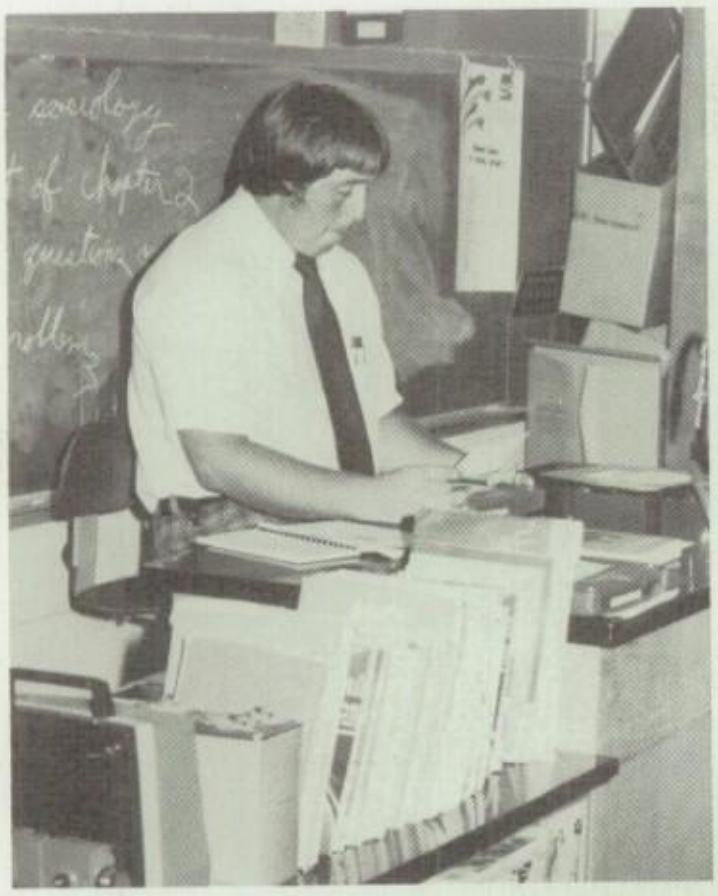
FAR LEFT — Miss Catlett really enjoys the teachers' meeting. LEFT — Bob Mantooth seeks guidance after a ride with one of his driver's ed. classes.

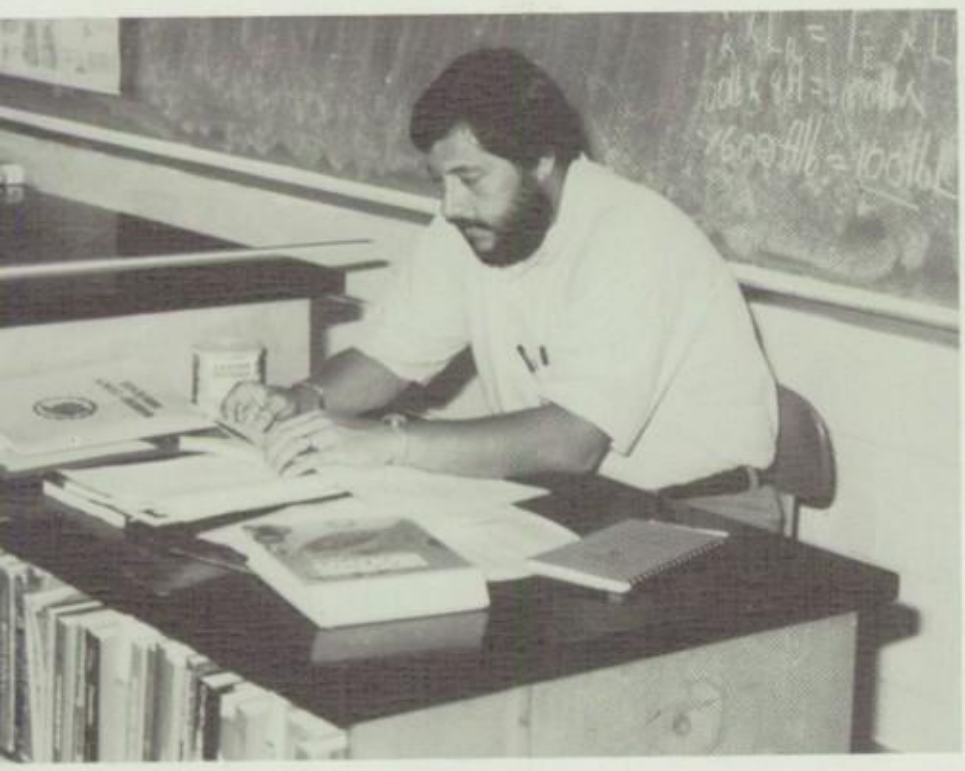


ABOVE LEFT — Jim Fredrick, instructs Mike Parker on proper drafting procedures. ABOVE — Mrs. Gillaspie uses her free period to grade Algebra papers. LEFT — Mr. Perry, assistant band director, helps the flag girls and pom-pom girls with their routine and aids Mr. Longdo.

RIGHT — Lowell Childress, explains how to disect a frog. BELOW LEFT — Ken Sheridan, wrestling coach and member of science department, tallies votes after a junior class officer election. BELOW RIGHT — Bob Gillaspie, known by students as Mr. "G," teaches a college preparation course for seniors called Advanced Placement. BOTTOM LEFT — Leva Bridges, F.H.A. advisor, is one of three Home Ec. instructors. BOTTOM RIGHT — Madge Tapp discusses a fiim strip with her Home Ec. class.







LEFT — Besides teaching math, Linda Pinkston devotes her time to the girls' basketball team and varsity girls' cheerleading squad. BELOW — Wanda Pride, new member of the Math Department, knows all of the angles in her fourth period geometry class. CENTER LEFT — Coach Walter Hawkins teaches an interesting earth science class. BOTTOM LEFT — Dorothy Farmer, Business Department Head, manages the bookstore in her free time between teaching business courses. BOTTOM — Terry Rakestraw waits patiently while a student explains a tardy slip.

Students are not the only ones who have bad days at W.C.H.S. Teachers have their share too. Although teachers are not considered human by students, they also experience feelings of frustration, anger, and even disappointments.

RIGHT — Mr. "G" was heard recently saying: "Thank Goodness it's Friday."

ABOVE — Even during her free period, Mrs. Gillaspie finds that a teacher's work is never done.

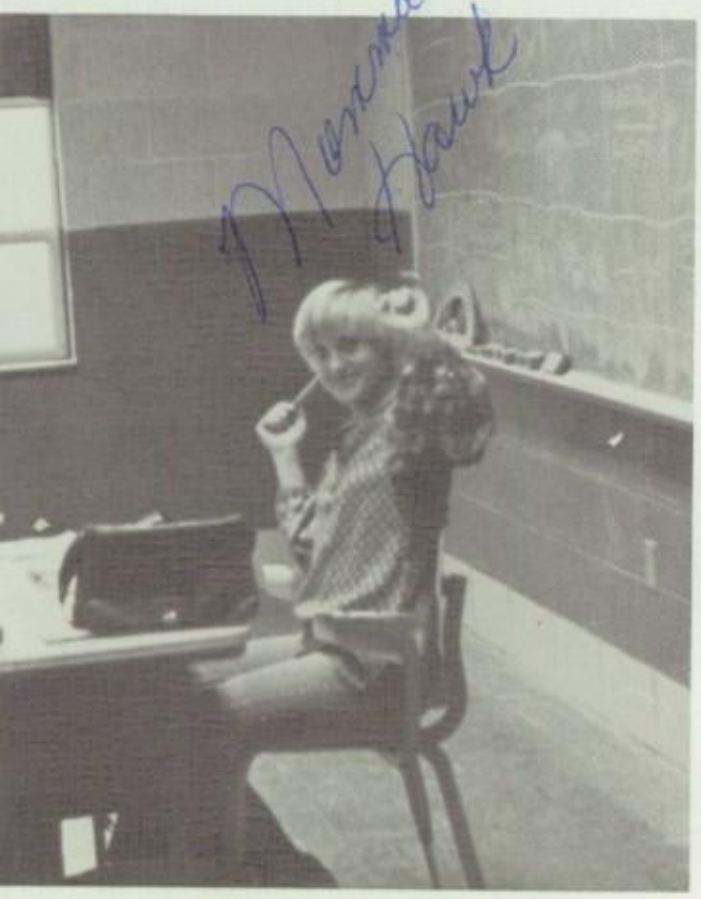
ABOVE CENTER — "Mrs. Willie" enjoys Hick Day with the students at W.C.H.S. ABOVE — Mrs. Little tells students talking in the library to quiet down.

FAR LEFT — Renee Winstead and Jeff Jackson work hard in Miss Catlett's 6th period Freshman English class. LEFT — Freshmen try hard to make good grades. BELOW FAR LEFT — Julie Hobgood, Sheila Roberts, and Donna Smith are more interested in conversation than in typing. BELOW — Mr. Rogers lines up students to have their pictures made.

ABOVE LEFT — Cindy Baldwin takes time out from typing to have her picture taken. ABOVE — Students enjoy the "W" Club vs. faculty game and Hick Day also. LEFT — Student Council Members pay close attention to the business of the meeting.

RIGHT — Mrs. Hedges and Fran find time to laugh between classes. FAR RIGHT ABOVE — Susie Langston, Julie Hobgood, and Darla Brantley have a conference in third period history. FAR RIGHT BELOW — Greg Gardener could care less about David Bumpus' and David McKinley's muscles. BELOW — Karen Shelton makes a quick pose on Hick Day. BELOW CENTER — The Office Procedure Class gets a taste of what it is really like to work in an office. BELOW RIGHT — Joy Beth Campbell dresses warmly for the outdoor weather.

ABOVE — Mrs. "Willie" has lots of help in the office. RIGHT — Students enjoy the "W" Club and Faculty ball game.



TOP LEFT — Mr. Childress relaxes after a close encounter with his 2nd period advanced biology class. TOP RIGHT — Mr. Ridenour finds that discussion classes can be exhausting. ABOVE LEFT — Mrs. Winstead tells one of her students to stand in the corner. ABOVE RIGHT — Miss Catlett grins even though she discovers her pencils have been stolen. LEFT — Mrs. Hawkins, known as "Mama Hawk" tells all her students to have a nice day.

We have made many changes in the yearbook this year in hopes that more people would enjoy looking through it. We hope that everyone who glances through it will enjoy it. We hope that many people will find many memories in this yearbook.

Thanks to everyone who has helped compile the yearbook. A special thank-you goes to our advisor Regina Catlett for all the work and worry she has spent on the yearbook. Our gratitude goes to all our patrons and everyone who has helped us meet our deadlines in any way.

Specifications

The 1978 Trojan is compiled of 184 8½ X 11 pages printed on 80 pound Saxony Mat stock. The body copy set in 10 pt. Times Roman type and caption copy is set in 8 pt. Times Roman. All headlines are set in Times Roman. The division pages were school designed with a 100% black litho and the reverse Trojan was drawn by Mary Ann Wells. The cover of the Trojan is maroon with a gold and white silkscreen application. It was designed by the Staff members.

Both Senior and underclassmen photos were made by McEachern from Loudon, Tenn. Other photo credits go to Shelia Haney, Regina Catlett, the Sebree Banner and the members of the journalism class.
